

Introduction To The Pack

I have designed this pack to try to help people get around and give them a head start in Chisinau. I could have just listed everywhere there is to eat and drink etc but I wanted it to be more personal and more on a recommendation format. I hope it helps you when visiting Chisinau and if there is information you require that is not listed below please write to me.

Useful Addresses and Phone Numbers for Tourists

- **Central Post office. (Centre)** (Street, **Stefan Cel Mare, 134**) useful for some tourist info and post cards.

Useful Information & phone Numbers for Tourists

- **Where to Buy a Map.** Nearly all book shops sell maps of Chisinau, the best map is a little bigger than A5 in size (when folded). To get you started hear are two places in the Centre. In Sun City commercial centre, street, Puskin, 32. (you will find it just inside the front entrance on the left) another place is on street, Stefan Cel Mare, 8. Libris book shop.
- **Getting a Sim card.** This is a very useful thing to do and will save you a lot of money if you want to contact other people in Moldova. I recommend you Buy Moldcell sim's they are 39 lei and you get all that as credit. You can also buy Orange sim's for about \$4. You can get one from any kiosk or it maybe easier to visit one of the commercial centres listed below and look for the Moldcell or Orange shop. You will also find shops on most high streets.
- **24/7 English Speaking Taxi.** Very useful indeed. Peter is available just about 24 hours a day and is always willing and he doesn't overcharge. Call him on 079890888 or from international phones +37379890888.

Drinking Tips

The biggest selling beer sold in Moldova is **Chisinau Beer**. This beer comes in 4 different strengths, the weakest being Chisinau Blonde. Because it's brewed in Moldova it is just about the cheapest beer around, so when looking for a drinking hole look for the Chisinau brand because other brands will be far more expensive. An establishment not selling Chisinau will generally be more up market and hence more expensive. In the summer there are many terraces open to sit outside. These are generally a cheaper and more enjoyable location to drink, but in the winter be careful not to end up in a dull empty expensive bar. The spirits here are very cheap but the quality is not the same as back home. To be honest some of the spirits here are quite rough and trying to get a mixer for them very difficult. Moldova is famous for its wine so wherever you go you can always get a bottle for a reasonable price. I say bottle as not many places sell by the glass. Whatever you're drinking always look at the menu to look at the prices; because you are foreign you will always be led to the more expensive drinks by the waiters and waitresses. **Have a good look at the menu and make sure your bill is correct.**

Eating & Bars (Economy)

Below I have listed some of the cheaper bars to eat in drink in the centre. I personally think they provide good value for money. There are many small café bars around in side streets and by the central market that are not listed, so please feel free to investigate behind the scenes of the main streets. The only problem is these bars do not have any English menus which makes them difficult for me to recommend.

- **Andy's Pizza Restaurant Chain.** Andy's not only provide pizzas but a whole array of food from soup to steaks. I personally think they have become the best value for money eating places in Chisinau. Very easy for tourists to use as you just have to point at the pictures when ordering. To find your local Andy's you will find a full list later in this pack. Andy's also provide a 24 hour delivery service Tel: 210210 or +37322210210 (**Recommended**)
- **McDonalds.** This needs no introduction. Good old McD's you will find three of them in Chisinau, the addresses are listed later in the pack. Easy quick food for all. McDonalds also has a 24 hour delivery service Tel:

- **Ahmed** (Centre, 24 hour bar) (Street, **Stefan Cel Mare, 64**) I really like this bar, situated on the main street in Chisinau this non stop bar offers food and drink at really reasonable prices. The food is very good and the menu is also in English which helps enormously. **(Recommended)**
- **Grand Hall Canteen** (Centre) (street, **Negruzzi, 2/4, on the 4th floor in the shopping complex**) This is a canteen type eating place where you get your tray and point at the food you want. A very useful place to eat as it incorporates an internet café on the same level.
- **Cantina** (Botanica, 24 hour bar) (Street, **Muncesti, 170/2**) Although in Botanica, it's actually not too far from the centre. This a great value for money cafe/bar. Unfortunately it's not geared up for tourists as the menu has no English on it so take a friend. **(Recommended)**

Eating & Bars (Average)

Here you will find the more middle to upper of the road places to eat and drink. The prices in these places are still cheaper than back home but watch what your spending as things can add up.

- **Roy's Café** (Centre till 3am) (Street, **Stefan Cel Mare, 136** " misleading address, entrance is on St, Puskin next to 28) This is one of my favorite places in the city. Very new bar café in the heart of the action. There are always people in here; many foreigners get in Roy's because of its location. For a reasonably priced bar there is a lot of action going on here most of the time. **(Recommended)**
- **Pani Pit** (Centre) (Street, **31 August 1989, 121**) This is one of the oldest and famous bars in Chisinau. Well worth a visit. **(Recommended)**
- **El Paso** (Centre) (Street, **Armeneasca, 10**) More of a place to eat than just to drink.
- **Grill House** (Centre) (Street, **Armeneasca, 24**) Good quality grills at not extortionate prices.
- **Cherry Café** (Centre 24 hour) (street, **D.Cantemir, 1**) A relaxing modern café bar and open 24 hours a day. Can get a little expensive and they don't do chips.
- **Dublin Irish Pub** (Centre) (Street, **Bulgara, 27**) As its name suggests, an Irish bar. A bit out of the way in location and only worth visiting at night really. Not much action in the day. It can get pricy in here.
- **Robin Pub** (Centre) (Street, **Alexandru cel Bun, 83**) Not my favorite bar but it's suppose to be an English pub so I put it in. They do some nice snacks to have with beer though.
- **Orange café** (Centre) (Street, **Stefan cel mare, 6**) This café like Roy's is situated in a superb location but the other end of Stefan Cel Mare. An inexpensive place with really nice surroundings. The food here is not extravagant and they also have a good selection of pizza. A very comfortable place that always welcomes foreigners.
- **Green Hills Nistro** (Centre) (Street, **Stefan Cel Mare, 77**) A useful place to eat half way down the central road of Stefan Cel Mare.
- **Metaxa** (Botanica) (Street, **Decebal, 23, on the 4th floor in the Jumbo shopping complex**) A Mexican type restaurant/bar in a large shopping complex. Very good food here and very good value for money. There are about another 10 bars around it so plenty of choice if Metaxa is busy. **(Recommended)**
- **Bar 7** (Botanica) (Street, **Dacia, 29**) A cute modern small café bar (has a large terrace in summer) If you are staying in Botanica, you probably won't be too far from this place. This bar is quite inexpensive and offers all you need in very nice surroundings. **(Recommended)**

Eating Out (Those Special Occasions Quality Restaurants)

These Restaurants are what I class to be the best in Chisinau for those special Occasions. Although expensive in Moldova terms, you will only pay about the same as a quality pub meal back in the UK. I haven't listed too many because to be honest I don't rate other more up market places very well.

- **La Taifas** (Centre) (Street, **Bucuresti, 67**) This is a traditional Moldavian restaurant and a must for any visitor to visit at least once. The staff wear traditional dress and the food and service is superb. The menu is also in English as do the staff speak to. You won't be disappointed I promise. **(Recommended)**
- **Fusion café Jirrafe** (Centre) (Street, **Ismail, 84**) A modern Restaurant with some of the best service around. The food is excellent and there is even a small club underneath for you to relax further after your meal. The head barman is Ruslan, my best man. Tell him I sent you and you won't go wrong. **(Recommended)**
- **La Vista** (Botanica 24 hours) (Street, **traian, 5/3**) A fairly new 24 hour bar/restaurant. Downstairs is very posh for dining only but upstairs you can relax in more of a bar atmosphere. Prices here are very reasonable and the food is really good. Check it out.

Night Clubs

To be honest I have not been to all these clubs, but from what people tell me these are the best clubs in Chisinau. The ones with recommended by them I have been to and can make comment otherwise you will just have to judge for yourself.

- **People Club** (Centre) (Street, **Negruzzi bd. 2/4, Next to Grand Hall**) This has just gone through a major refit and is quite impressive now. Being the largest and most famous club in Chisinau it can get very busy in here. It was reasonably priced but I haven't been since the refit. **(Recommended)**
- **City Club** (Centre) (Street, **Chisinau, 31 August 1989, 117**) An original club in the centre of the city. Worth looking at.
- **Deja-Vu** (Centre) (Street, **Bucuresti, 67**) Last time I was in here it was very busy and very expensive. It is very small and I really wouldn't call it a club. However I did see lots of people dancing but mainly girls on the bar with next to nothing on.
- **Studio Club** (centre) (Street, **Bucuresti, 66**) I don't know too much about this club but I think its OK.

- **Crazy Horses** (**Botanica**) (Street, **Dacia, 18/1**) I think this one is only worth visiting at a weekend, I have only been in the daytime to the bar but on a Saturday night it looks like it could be a lively place.
- **Razgulyaeff** (**Botanica**) (Street, **Barebitsa, 120**) As you will see later this is part of a complex with bowling, billiards, Electronic casino and Restaurant. I like this non oversized club, very reasonable prices and a good atmosphere. **(Recommended)**
- **Club Z** (**Botanica**) (street, **Zelinski, 15**) A very popular club in Botanica and a place you will find more average people and not the rich of Chisnau. This place is worth a try really.
- **Star Trak** (**Riscani**) (Street, **Kiev, 7**) No I haven't miss spelt it and yes it is the same address as the club above. At the same location as Military, it's another very good club with a high reputation. **(Recommended)**
- **Military Pub** (**Riscani**) (Street, **Kiev, 7**) I like this club and it is probably the most vibrant club in the city. I and lots of foreigners who frequent Chisnau often use this club a lot. Always something going on and never bored. **(Recommended)**
-

Striptease Clubs (pure Girlie Bars)

Although many of the clubs above will have striptease on as entertainment, the three places I have listed below are just girlie bars. You walk in and within minutes you have a beautiful young women sat next to you and she will stay all night if you buy her champagne or a cocktail at exuberant prices. There is obviously striptease going on the stage all the time and you can get yourself a personal dance at any time for a little money of course.

- **Plusshow** (**Centre Till 4am**) (Street, **Stefen Cel Mare, 6**) This is a nice small closed off from an adjoining small casino. The girls are very attractive and the place it not to expensive to drink. If you buy the girls a drink to talk to them make sure you know how much it costs before you say yes. **(Recommended)**
- **Caligula** (**Centre till 4 or 5 am**) (Street, , **Negruzzi bd. 2/4**, Next to Grand Hall) I don't know how this one will pan out or if it will still be called the same name, as its in the middle of refurbishment just now. It was more of a proper club than the others. Take a look and report back. Its at the same site as People Club.
- **Bacardi Bar** (**Botanica till 4 or 5am**) (Street, **Zelinski, 7**) Very similar to Plusshow but in Botanica. Just watch those prices again. This club did have a 50 lei entrance fee whereas Plusshow was free but hey do change prices around here all the time.

Sports Bars

I only know two proper sports bar that show premier games and formula one etc and here they are.

- **Offside Sport Bar** (**Botanica**) (Street, **Dacia, 34**) Plenty of TV screens in here, they can even show two matches at once if they want. This not only is a true sports bar but it is very cheap. They also have Billiards and pool in a separate room should you want to play. Be careful if you are coming to watch a big game like a final or semi as it can get very busy so you need to book a table ahead. **(Recommended)**
- **Bunker Bar** (**Riscani**) (Street, **Moscova, 5**) Not as big as the one in Botanica but this one has a good atmosphere like in an English pub.

Casino's

There's not much you can say about a casino really. There are many Electronic casinos in Chisnau and the ones listed below are all normal ones with real people and not machines. The bonus of Chisnau casinos is everything is free, you can drink as much as you want and you don't even have to play the tables.

- **Napoleon** (**Centre 1pm-6am**) (Street, **Puskin, 32**) My favorite casino, no riffraff allowed in here. Enter it from the rear of Sun City up the stairs by the Japanese restaurant. **(Recommended)**
- **National** (**Centre 24 hour**) (Street, **Stefan Cel Mare, 2**) Owned by the same people as Napoleon but often busier as they let more locals in here.
- **Imperial** (**Centre 24 hour**) (Street, **Eminescu, 79**) I have never been here so please report back if you venture this way.

Commercial (Shopping) Centers

These are the new shopping complexes in Chisnau and most have bars of some sort in them.

- **Sun City** (**Centre**) (Street, **Puskin, 32**)
- **Grand Hall** (**Centre**) (Street, **Negruzzi bd. 2/4**)
- **Baby Hall** (**Centre**) (Street, **Negruzzi bd. 2/4**) Behind Grand hall and primarily for kids stuff.
- **MallDova** (**Centre**) (Street, **Dacia, ?**) This was only just finished in Aug 2008. The largest shopping complex in Moldova and build with some sort of EU construction loan of 43 million Euro. I suppose its worth going to see where the money has gone. Some good reasonable eating places on the 4th floor and houses many leisure facilities also.
- **Jumbo** (**Botanica**) (Street, **Decebal, 23**)
- **Elat** (**Botanica**) (Street, **Decebal, 99**)
-

Entertainment and Bowling Centers

A mixture of Entertainment places around the city

- **Cosmic Bowling (Centre)** (Street, **Puskin, 32**) Underneath the Sun City complex, this is a handy place to go bowling in the centre of town.
- **Game World (Centre 24 hour)** (Street, **Negruzzi bd. 2/4**) Behind Grand hall. This is a great place to play pool or Russian billiards. No smoking up to 9pm but after that its Ok and the price to play halves. This is also a amusement arcade centre incorporated for the kids.
- **Plazza (Botanica)** (Street, **Brincusi, 3**) The largest bowling club in Chisinau with about 16 lanes to offer. There is also the Niagra fitness centre located here. **(Recommended)**
- **Razgulyaeff (Botanica)** (Street, **Barebitsa, 120**) The same location as the night club above. This has to offer bowling, pool, billiards a nightclub and restaurant which all these have separate bars. A useful place to go if at a loose end. **(Recommended)**
- **Ice Bowl or Lukoil Centre (Riscani)** (Street, **Studentilor, 7/8**) I really like this complex. It comprises of a cinema, bowling, some arcade games for the Kids and a super little restaurant that has 4 menus each from different countries, one being Chinese. **(Recommended)**
-

Swimming Pools

To be honest there is only two pools I would recommend to use in Chisinau and they are as follows.

- **Aqualife. Sun City (Centre)** (Street, **Puskin, 32**) The entrance is at the side of Sun City where the bowling club is. Not just a pool here but also a sauna and steam bath. Please check before as at times this pool is used for aqua aerobics and stuff.
- **Country Club (Riscani)** (Street **Doga,**) This is only a summer pool, a very clean and popular pool where you can sunbath have a beer and swim. They also have a special pool for children here.

Easy Everyday Shopping (Supermarkets)

For foreigners the easiest way to shop is in the supermarkets where you don't need to know the language. There is one major supermarket chain and a few small ones. You will also find some independent supermarkets around the city that aren't listed here.

- **Green Hills Supermarket chain.** Also a very good place to change money
 - **Centre** (Street, **Stefan Cel Mare, 77**) This is also Greenhills Nistro café
 - **Centre** (Street, **D.Cantemir, 6**) Opposite Baby Hall.
 - **Botanica** (Street, **Decebal, 139 B**)
 - **Botanica** (Street, **Constantin Brancusi, 3**) A huge complex
 - **Botanica** (Street, **Cuza-Voda,21**)
 - **Riscani** (Street, **Kiev, 16/1**) Opposite McDonalds
 - **Riscani** (Street, **Alecu Russo, 28**)
- **Fidesco Supermarket Chain.** You can also change money here and some of the smaller stores are 24 hours
 - **Centre (24 Hour)** (Street, **Stefan Cel Mare 6**)

- **Centre (24 Hour)** (Street, **Stefan Cel Mare, 136**)
- **Botanica** (Street, **Dacia**) I don't have a number but its near zimbru football stadium

Museums

Here is a list of the museums in Chisinau. Unfortunately I cant give you to much information on how good they are as it's not really my thing.

- **Archaeology and Ethnography Museum** (Centre) (**Banulescu-Bodoni, 35**)
- **Chisinau History Museum** (Centre) (**Mateevici str, 60 A**)
- **National Ethnography and Nature Museum** (Centre) (**Kogalniceanu, 82**)
- **National History Museum of Moldova** (Centre) (**31 August, 121 A**)
- **National Museum of Arts** (Centre) (**31 August, 115**)
- **"A.S. Puskin" Memorial** (Centre) (**Anton Pann, 19**)

Parks

Chisinau is famous for having more green spaces than any other city in Europe, so obviously there are many parks for you to enjoy. I have named some of the better parks below.

- **Public Park** (Centre) (On the Junction of **Stefan Cel Mare** and **Banulescu-Bodoni**) a small park with a very nice fountain when it's working.
- **Central Park** (Centre) (Opposite the presidential building and main square) This is where you will find the Central cathedral. This is another small park with a fountain in the centre of town very close to Sun City.
- **Botanica Park** (Botanica) (In-between Street **Dacia** and **Decebal**) very close to the centre. This is the best park in Chisinau, it's huge and has three lakes and pleasant walkways. Well worth a visit.
- **Botanica Gardens** (Botanica) (**Street Gradina-Botanica**) This is the official Chisinau Botanic gardens. There is a very small fee to enter and to be honest a little disappointing. Even more so since they took the bar away.

Places of Interest

These are a few places around Chisinau and Moldova that I think are of interest to tourists.

- **Milestii Mici winery (Village, Ialoveni District)** This is one of the two main wine producers in Moldova and they do a selection of tours for guests. This winery has more than 200 km of natural underground cellars of which 55 km is used. They also have the biggest wine collection in the world. The tours are not cheap but worth a visit.
- **Cricova Winery (1 Ungureanu Str., Cricova)** Much the same as the winery above and still not cheap.
- **Old Orhei Vichi monastery** (Village, **Orhei**) This is a monastery on the edge of a steep gorge with cave houses and rooms that are still in use. A spectacular place to visit. Look at my website for more info.
- **Sorocco Fort (Soroca Village)** Right in the North of Moldova this fort was built in the mid 1500s. Many visitors go to see this fort and I am told it is well worth a visit, but it will take a full day out of your timetable.

Find Your Nearest ATM

You may think this is a silly thing to add to the pack, but no. Only one banks ATM machines will work with western cards. I know so many people who have tried every ATM in the city to try to get cash and given up. The only bank geared up for chip and pin is the Moldova Agroindbank. Bellow is a list of every ATM in district order where you can draw cash.

UPDATE DEC 2009: It seems that the Victoria Bank has also now updated all it's ATM's to chip and pin.

The Trolleybus System

For those of you who want to get around the city and not keep paying for taxis everywhere I have produced a colour coded trolley bus route finder. If you can try to avoid the system during peak hours as they do get fairly packed out and during these times. Each district is split into a separate colour. The colours are as follows (sorry but it's a bit sicolodic better viewed with sunglasses). Please note the trolleybus system operates from 6am to 11pm.
